Ass-fucking can just be the ticket to a rich and satisfying sex life

BACKDOOR ADVENTURES

In the town where we moved after I married Bill, the most exciting event of the year was the Memorial Day Parade. "Bill, doesn't anyone in this town do anything exciting?" I asked Bill one balmy summer evening.

"Mmmff," Bill replied indistinctly. He never could speak clearly when he had his tongue buried in my squishy pussy. I took a fistful of his chestnut-brown wavy hair and thrust my pussy harder into his hungry mouth, rotating my swollen cunt lips against his cum-slick lips, and then I let him up to breathe.

"What was that, hon'?" I asked, smiling. He was laughing and he moved up and sprawled on my belly, his dripping mouth coming down on mine. I tasted my own pussy juice, pungent but fragrant, and my tongue tasted his as we kissed deeply.

He pulled away, lying on his side. His huge cock, with the thick ropelike veins and smooth, red-purple tip, lay across my thigh and pointed right at my sex-swollen cunt. I caressed it, thinking that in a moment it would be buried right to his big, hairy balls in my twitching pussy. "I said nothing exciting ever happens in this stupid town," I repeated. "Okay, you got a big promotion and we had to move here but we had interesting friends and there were more things to do in Philadelphia."

From Philadelphia we had moved to a small city in southern New Jersey. It was quiet, safe, and totally boring. In one direction, an hour away, was Philadelphia. In the other, Atlantic City, but the garish gambling scene was not for us.

Neither was New York. What I hungered for was a more interesting day-to-day existence, friends who'd discuss more than the weather, taxes, or the high cost of living.

We lived in a modest garden apartment. Our neighbors were young executives, schoolteachers, and one or two dentists and lawyers. But they all seemed to be playing roles, cast as bright, moral, successful young Americans.

If any of them were doing drugs or doing shit, Bill and I didn't know about it. Not that we went in for that stuff, but I didn't want to wind up getting my kicks watching paint dry.

Bill grinned and put his hand between my legs, cupping the slippery swamp he found. He rubbed it gently and I groaned as I felt the first tingle from my clit. He rubbed the flowing juices down between my ass cheeks, lubricating that sensitive flesh; then I realized he was thrusting his long, bony middle finger into my ass.

"Careful, stud," I whispered but I raised my legs and spread them wide to give him easier access. "That hurts a little." He slid another half inch of finger inside and looked at me.

"Want me to stop?" he asked softly, moving his finger in and out but no deeper.

"N-no," I stammered as a thrust sent a tremor

through me. I reached down and fingered my quivering clit, thinking I'd come any second. Suddenly, Bill leaned down and clamped his teeth on the flesh of my neck beneath my chin. The shock and his simultaneous thrust of his finger made me scream and I bucked upward as a huge orgasm racked my body.

"Oh, shit!" I yelled. "You're killing me!" But I was coming in waves and I couldn't stop him as he suddenly pulled his finger out of my bunghole and positioned himself between my legs.

His enormous cock was throbbing as he fisted it and rubbed it up and down my cum-slick slit, rubbing it on my little nubbin as I came again and again. "Fuck me, Bill!" I yelled. "Ram that big cock in my juicy cunt!"

Bill obeyed . . . a little. He inserted the tip easily

into my flooded canal and I thrust my hips up, trying to capture it all. But he pulled out. "Stop teasing me!" I screamed. "Shove it in my pussy all the way!"

He grabbed my legs and pushed them higher so my knees were over his shoulders. Okay, I'd buy that, it exposed my fat-lipped pussy even more so he could… but when I felt it touch me his cock wasn't at my cunt.

He pressed his cock against my second hole. He was trying to ass-fuck me! I'd heard people talk about ass-fucking. I'd even seen a porn flick in a motel outside Philly, where this blonde got a huge dong shoved up her ass. It had excited me. It had been a real turn-on! But that was a movie; this was now. This was my ass!

And my little shit-chute was too small for Bill's tremendous horse-cock. I babbled this as I peered down, watching him carefully aim his one-eyed snake at my tender rectum, felt that huge, wet, smooth dick press against my rosebud. I froze, fighting the invader, my asshole puckered tight.

"Relax, Gina," he murmured. He stopped doing that and slid it back up my quivering pussy, parting the flooding folds of flesh, rubbing it against my clit and making me cum still again. He plunged it deeper into my cunt this time, pulling it out shiny and slick with my pussy juice.

"Look at it, doll," he said softly. "It's nice and juicy. It'll slide in your ass easily."

I got an idea. Luscious, he said? "Kiss it first, Bill," I said softly. "You always refuse but this time, unless you want to finish up beating your meat, you'll kiss it."

Bill wanted to refuse but he was beyond control. He bent over and inhaled the fragrance of my hole and licked it, munching gently on my wide-open labia, nibbling on my clit, causing me to come still again.

I groaned in ecstasy, squeezing my thighs around

He pressed his cock against my second hole. He was trying to ass-fuck me! I'd heard people talk about ass-fucking. I'd even seen a porn flick in a motel outside Philly…

his neck, locking my ankles as I held him prisoner till the spasm passed. His face was red and he gasped for air when I finally let go. He began eating me lower and I raised my legs higher, thanks to the gymnastics and ballet I frequently practiced. I got my feet up behind my shoulders and presented my tender little bottom. "Lick it, Bill," I ordered. "Put your tongue out and rim me."

I felt his lips first, kissing and nibbling the inner, incredibly sensitive skin between my buns. Then he kissed my anus, his tongue tentatively touching my puckered little hole. I loved it. And I moaned with sheer pleasure as he stuck his pointy tongue inside. I had my hand down caressing my clit and I shoved two fingers inside, feeling the velvety smoothness of my inner flesh.

"That's it, Gina," Bill murmured as I opened my ass to his tongue. He plunged it deeper, his lips locked in my hole, his mouth-cock sliding in and out of my shit-chute. I writhed, cumming again and again. My ass was dripping with leaking cum from my pussy and his saliva. It felt as loose as my pussy after a terrific fuck.

"Bill, stop!" I moaned, reaching down and pushing that sucking, fucking mouth away. "Put your cock in there! Hurry!"

"I never thought you'd ask," he grinned, his face wet with my juices. He knelt and caressed his giant hard-on, the knob bulbous and slick. My God, I thought, am I going to let him stick that up my teeny

little ass?

He pushed it into my pussy once more. "To slick it up," he explained. Then he withdrew it and positioned it carefully at my ass. Now he eased it forward and I tightened my sphincter, anticipating sheer agony when that long, heavy column of gristle penetrated my tender hole. "Relax, Gina," he whispered. "I'll stop the moment it hurts. Let your asshole open up."

I did and the instant I stopped closing it against him I felt his fat dick slip inside me. It was slick with my juices, too big for my ass but like my cunt it could expand and take it. He stopped there, letting me adjust to his lovely prick in my bunghole.

"Want me to stop, hon'?" he asked softly. He twitched the head slightly, sending a spasm of delight through me.

"Don't take it out!" I begged. I spread my thighs wider, looking down, fascinated by the sight of his swollen, veined member halfway up my ass. "Fuck me in the ass, Bill! Hard!"

Lucky for me, Bill didn't take me seriously. He leaned forward, looking down, one hand caressing my dripping pussy, pinching my fiery clit, and then sliding two fingers into my sloppy cunt. When he finger-fucked me, I could feel his hand almost touching his cock which was now half-buried in my ass.

"Deeper," I groaned. It slid in, inch by inch, the bulging knob displacing half my intestines but it felt lovely. Then I could feel his balls snug against my ass; I craned my neck so I could see his cock buried to the hilt. "Ah, that's great," I breathed. "Now, fuck me!"

He pulled it out slowly, then jammed it back all the way, pulled it out and rammed it back. I came with each thrust but I was building to a bigger, massive orgasm. "Faster, fuck me faster!" I yelled and he started pumping his piston harder and deeper until white fire burned in my brain and then I came unglued. I screamed and stiffened, tightening my bunghole on his cock, my ass off the bed as his cock erupted, filling my ass with his spurting spunk.

For the uninitiated, ass-fucking can open an exciting new aspect to your sex life. The important thing to keep in mind is that no one should ever be coerced into having anal sex. Once you and your partner agree to try going up the Hershey Highway, it should be done under the most relaxing conditions.

Your partner should be completely relaxed; ideally,

It was slick with my juices, too big for my ass but like my cunt it could expand and take it. He stopped there, letting me adjust to his lovely prick in my bunghole.

freshly showered or bathed. She should pay special attention to cleaning her asshole and surrounding areas, making sure that it's completely free of any fecal matter. Next comes the lubricant: without the proper lube, what should be a pleasurable experience can turn into a painful one. Be sure to purchase a quality brand of lubricant, one that's free of anything that may cause irritation or allergic reaction (water-based lubes are the preferred choice for many). And don't be stingy! Use plenty of love juice, and reapply if necessary.

It's important for anyone getting into anal sex fun to go slow and easy. Take your time, first gently inserting a well-lubed finger or two slowly up her asshole, allowing your partner to become accustomed to the newfound feeling. As she begins to relax and hopefully enjoy the sensation, ask her if she's ready to go "all the way."

Once you get the go-ahead, apply plenty of lube to your dick and ever so slowly, inch by inch, gently slip it in. Unless you are asked to otherwise, do not shove your way in too hard or roughly. Especially for the anal sex virgin, a gentle slow ride is the way to go.

The beauty of ass-fucking is that it doesn't "end" with just that. It allows you or your partner to simultaneously play with her pussy, only adding to the ecstasy of the act. Diddling her clit with your fingers or a vibrator, or inserting a dildo up her grasping pussy, will turn her into a sex-crazed animal.

As you can see, ass-fucking can just be the ticket to a rich and satisfying sex life.

A Close Shave

I never in a million years would have thought I'd end up letting my best friend, Jenna, lick my pussy. I mean, sure, I've been around a little; I'm 19 and I've kissed a girl once or twice, but I'm no lezzie. Neither is Jenna, but she acted like one that day. And I have to admit that I liked it.

We'd just been hanging out at her apartment, talking about guys and sex, you know, the usual. Jenna, who's always been wilder than me, was talking about how her boyfriend liked to lick her pussy now that it was shaved.

"No way!" I said, "You did not shave your pussy!"

Well, of course, then she had to prove it to me. She wiggled right out of her shorts and panties and stood there, looking like a porno model with her bare pussy and her T-shirt and socks still on. It made me giggle to see her like that, but it made me kind of shy, too. I mean, I'd seen other girls' pussies, in the school showers and stuff, but Jenna's looked so…well, naked.

She asked if I liked it, and I had to admit it looked pretty cute. Then we decided to do mine.

Jenna told me to get my shorts and panties off and sit on the floor while she went off to get the supplies. When she came back she acted all professional, even though she was still mostly naked. She told me to spread my legs and lean back on my hands so she could "work."

And then, acting like it was no big deal, she started trimming the hair on my little mound. Jeez, you'd have thought I'd been electrocuted the way I jumped when her fingers first touched me. I got goose bumps all over my body. But she ignored that and just kept trimming till my hair was real short. Then she spread shaving cream all over me.

I couldn't help but giggle a little again while she was smearing the stuff on me. I mean, I'd hardly ever had anybody touch my pussy before, and especially not a girl. But her fingers were so soft that I didn't mind.

Then she started shaving me for real, spreading my thighs apart and getting down close so she could see. I could feel the warm water dripping down into my pussy-hole, and I was a little embarrassed because I was afraid she'd think I was wet or something. But then I realized that I really was wet, and that I kind of liked the feel of her fingers on my mound.

I got embarrassed then, but Jenna didn't notice. She just kept shaving me till my little pussy was bare. "Whaddya think?" she asked when she was all done.

I looked down. Omigod, I looked so naked! But it looked cute, too, just like Jenna's, and it sure felt good, all wet and tingly and stuff.

Then Jenna said, "You liked it, didn't you? When I was touching your pussy?"

Well, what was I supposed to say? No? So I just nodded, feeling embarrassed but kind of secretly hoping she might touch me again.

She must have read my mind, because she came up real close and kissed me on the mouth. Her lips were so smooth and soft, not like any of the guys I had kissed. It felt so good; I couldn't help but kiss her back. Then I felt her hands again on my bare pussy, and I

shivered. Her fingers were so soft, especially when she started stroking my little clitty.

It made me all squirmy when she started diddling me just the way I like it. Pretty soon she pushed me onto my back, and she pressed herself on top of me, and I liked that, too. Her big titties pressed against my little bitty ones through our T-shirts. When she pushed my shirt up and started kissing my nipples, it felt like they were on fire.

When she started to go lower, kissing my belly and sucking on my bellybutton, I didn't stop her. It felt too good! And when her tongue touched my bare little pussy, well, I didn't stop her then, either. The guys I'd had sex with had never done that to me, and it felt even better than when I was doing myself. Even better, maybe, than when I had a dick in my pussy.

Jenna's tongue was so soft on my swollen clitty, especially when she used her fingers to open up my pussy-lips so she could lick me better. Pretty soon her fingers were poking into my wet little slit and, man, I was liking that. She was lapping at my clit like crazy and pushing her fingers in and out of my little hole. After a little while, I started wiggling just like I do when I'm ready to come.

But that didn't bother Jenna. She just kept licking harder until I couldn't stand it anymore.

My little clitty practically exploded into her mouth, and I pressed myself even harder against her face as my whole body shook. I was a little embarrassed that I was coming into a girl's mouth like that, but it felt

so good I didn't care. When she finally stopped licking me and kissed me on the mouth, I could taste my own sauce, but Jenna said she liked it a lot so I didn't feel so bad. Matter of fact, by the time Jenna taught me how to lick her pussy, I was feeling pretty good about the whole thing.

Now we joke around about how we're not lezzies but we sure must be bi, because we like to do each other all the time!

A Tight Squeeze

My boyfriend, Tony, has the smallest dick of any guy I've ever fucked. He was scared even to ask me out the first time because he was afraid I might make fun of him. But he asked me anyway, and he's cute, so of course I said yes. And after the first date, after Tony had licked my pussy until I came three times, well, I didn't care about the size of his cock anymore. Hell, any man that can satisfy me as well as Tony can hardly needs a cock at all.

But then we found a new use for Tony's tiny cock and now I'm even happier.

We were fucking one day and Tony's cock slipped out of my soaking wet pussy and slid over my little rosebud. At first I didn't like it, but when he started poking around a little bit, it got me excited.

"Oh, so you like it like that, huh?" he said, kind of grinning while he poked me some more. It was true; I was liking it a lot, even though it felt kind of nasty. Then he got down between my legs just like he was going to lick on my wet pussy, but instead he started nosing around my tight little asshole. Ay! It felt so good when he licked my little brown hole! And then when he took his tongue and poked his way up there, it made me feel all tingly. I knew it was bad that he was licking me there, but by then I didn't even care. Pretty soon he was poking his fingers up my butt, doing my pussy-hole with his

other hand and sucking on my little clitty, too.

Wow! He was making me so crazy with his fucking and his sucking that I was squirming and screaming. Thank god he didn't stop until I exploded, my pussy gushing and squeezing his fingers while he jammed himself even deeper up my back door. Even when I was done, he kept licking on my little clit, until pretty soon I was wanting it again.

"I want to fuck your little ass," he said, in between licks on my swollen little nub and pokes with his fingers. I couldn't help it, I wanted him to fuck me there, too; the thought of him pushing himself deep in my asshole was making me crazy.

So I just rolled over and got up on my hands and knees and stuck my ass out toward him. My fingers were playing with my swollen little penis, which was poking its little head out and was all ready to come again.

I felt Tony's cock, wet and slick with my pussy-juice, pushing against my virgin back hole, and even though I was a little scared, I still wanted it. "Yeah, baby," I said, "put it in there, put it in my ass, baby…."

He spread my ass-cheeks wide and started to put his little guevo in my tight hole. Ay! For a minute it hurt, and I almost told him to take it out. Then, after he'd stayed still for a while, it started to feel really good. So good that I wanted even more of it.

"More!" I said, wiggling my bottom against his cock, trying to get him to push deeper. "Do me

some more!"

So then Tony started to slide it in, real slow and, oh god, it felt so good I could hardly stand it! He filled my butt up tight with his little cock, and I loved it. Tony was, too. He groaned when he got it all the way inside me, and I knew it must be the tightest thing he'd ever felt squeezing his cock.

I could feel his balls tickling my wet pussy, so I reached down and gave them a squeeze as he pulled out again. Then he stuck it in, only faster this time, and I let go of his balls so I could grab hold of my clitty. Ay! My pussy was so wet it had slicked up my little nub. I rubbed my finger on the tip as Tony started doing me

for real, pulling his cock almost all the way out before pushing it back in so deep it made me squeal.

Every time he shoved it in there, I could feel a little tweak in my pussy. Pretty soon I was pushing myself back on him so he could fuck me real good. His little cock had never filled me so full.

"Do me harder, Tony!" I cried, and he did. Pretty soon he was pumping me so fast my tetas were jiggling every time he shoved it in. My fingers were flying on my swollen little clitty, and all of a sudden I exploded, my pussy juicing like mad as I came with his cock deep inside me. I could feel it all the way from my pussy-hole to deep inside my plugged-up asshole. I think I was screaming, but I don't remember.

I do remember that Tony started filling me up with his man-juice right then, pumping it up inside of my butt while I kept diddling myself. He filled me so full it started dribbling out, but that even felt better, all wet and creamy. He kept fucking me till he didn't have anything left to shoot. Then he pulled out and we just lay together on the bed.

Later we decided it'd been the best fuck ever, and now we like to do it like that all the time. Tony's little dick fills my tight little ass up real full, just the way I like it. Now he's a good pussy eater and a good butt fucker, and I couldn't be happier! Of course, Tony's pretty happy that his cock gets put to good use these days, too!

LOLLIPOP

STARRING: JESSE JANE, RILEY REID, RAVEN BAY, GULLIANA ALEXA, CHAD WHITE, TOMMY GUNN, SETH GAMBLE, RYAN DRILLER, GIOVANNI FRANCESCO
DIRECTED BY: JAKODEMA
AVAILABLE FROM: DIGITAL PLAYGROUND

A master of manipulation, Jesse Jane is a woman on a mission in this dangerous thriller involving greed, lust, and plenty of hardcore sex. With a 5-day timeframe surrounding these heinous acts of manipulation, robbery and murder, this inventive script delivers a tantalizing thrill ride from beginning to end.

The movie opens with Chad White picking up Jesse Jane, a hitchhiker, from the side of the road. After taking her home, she treats him to her deep-set mouth and glorious pussy, which he aptly stuffs in standing doggie.

Next, at a strip club, we find Gulliana Alexa and Jesse on stage, respectively. Once her shift ends, Gulliana visits Ryan Driller, the club owner and ruthless gangster, in the backroom. Soon, she's furiously fucking his cock in reverse cowgirl before standing on the table, dipping her wet pussy into his mouth. After Ryan pops on Gulliana's face, he learns that Tommy Gunn, his hired help, and Jesse, the stripper from his club, have run away with his cash.

Now, at a hotel room, Jesse and Tommy contemplate what to do with the cash, deciding to fuck like dogs in heat instead. With plenty of juice to dampen their ride, Tommy happily humps Jesse's hole, causing the shady stripper to leak like a broken faucet!

Meanwhile, Riley Reid, Chad's sister, arrives back home to find their house in disarray. Eager to get her mind off the clutter, Seth Gamble, her boyfriend, offers her his dick instead. Whilst fucking, Ryan's goons appear, kidnapping Riley.

As everyone convenes at the designated meeting spot, another raging gun battle ensues, leaving plenty of dead and battered bodies in its wake. When all the dust settles and the last *Lollipop* has been licked, you'll never guess who leaves the scene of the crime with Ryan's bag of cash! ♣♣♣♣

ALIEN ASS PARTY 2

STARRING: BONNIE ROTTEN, KAGNEY LINN KARTER, MADDY O'REILLY, VERUCA JAMES, ROSE RED TYRELL, MR. PETE, JESSY JONES
DIRECTED BY: JOEY SILVERA
AVAILABLE FROM: JOEY SILVERA VIDEO/ EVIL ANGEL

A visionary at creating quirky and eccentrically stimulating pornography, ace auteur Joey Silvera really knows how to get the juices flowing with his latest flock of flirty aliens. Bustling with campy effects, powered by planetary pussy and offering gobs of galactic goo, this is one erotic invasion you won't mind falling victim to!

Kagney Linn Karter, a sexy alien, begins by using all means necessary to return Jessy Jones back to space. Clad in sexy red leather, Kagney enthusiastically sucks his cock and allows him to fuck her asshole in spoon and mish, ending in not one pop shots, but two!

Next, by using his telepathic powers of persuasion, Jessy gets Maddy O'Reilly to be submissive and Veruca James dominant in the following encounter. After Veruca finger fucks Maddy's butthole, they turn their sights onto Jessy. Together, they honor him with a double blowjob and more asshole than he knows what to do with. Hot!

Afterwards, Rose Red Tyrell continues the show by swallowing Mr. Pete's sword. With plenty of hand-to-gland action, mixed in with copious amounts of ball polishing, Rose has him growing in her mouth. From here, she warms up her asshole with a blue toy before asking Mr. Pete to switch out her faux-cock for the real thing.

Having to pull out the big guns, Bonnie Rotten, a specialist, is summoned to finish the job that the other alien bitches could not. Jessy is led to the perversions of Bonnie's mind and her home. The moment they step inside, Bonnie has full control over the situation, sucking his cock at will before bending over backwards to offer up her blooming butthole in plenty of mind-blowing arrangements. We'd say that her mission was definitely accomplished! ♣♣♣♣

THREESOME FANTASIES FULFILLED 4

STARRING: CHLOE AMOUR, GISELLE MARI, ALINA LI, ARIANA MARIE, BROOKE WYLDE, NATALIA STARR, KEISHA GREY, LILY LOVE, CARMEN CALIENTE, LEXI DAVIS, JOHNNY CASTLE, BRUCE VENTURE, TALON

DIRECTED BY:
BROTHER LOVE

AVAILABLE FROM:
PURE PASSION

Shot across five romantic scenarios, and with a heavy use of natural lighting to make the encounters seem ethereal, this is a couple's friendly production that is not only stimulating for her, but ultra hardcore for you. With passionate three-ways (girl/girl/boy) on the menu today, this production is the perfect accoutrement to your bedroom play.

The movie opens with Chloe Amour and Giselle Mari making out on a bed, while Johnny Castle watches them. Soon, the women have called him over and are swapping his cock from mouth to mouth before Giselle takes a seat on his lap in reverse cowgirl. Chloe also stuffs her hole, treating Johnny to the ultimate Latina experience.

In the hottest scene of the movie, Alina Li and Ariana Marie get dirty in the shower. Ready to add his cock into the mix, Castle joins both girls, fucking them silly across the bathroom floor, becoming the meat in their fuck sandwich. Yum!

From here, Bruce Venture finds Brooke Wylde and Natalia Starr waiting for him on a bed. After enjoying each other completely, they turn their sights onto Bruce's boner. With plenty of lip-smacking action, the girls work Bruce up before he treats both pussies to multiple orgasms.

Afterwards, we find Keisha Grey and Lily Love enjoying the taste of each other's lips. Happy to join the young beauties, Talon is more than happy to join their pussy party. Soon, Lily is bouncing atop Talon's tool in cowgirl, while Keisha sinfully takes a seat on his face.

Carmen Caliente and Lexi Davis end the show on an exciting note by sharing Talon between them. With explosive chemistry and plenty of partner swapping, this threesome will keep your juices flowing. ♣♣♣

OIL OVERLOAD 11

STARRING: RILEY REID, SARA LUVV, SKIN DIAMOND, VERONICA RODRIGUEZ, AALIYAH LOVE, AJ APPLEGATE, ALINA LI, MANUEL FERRARA, JAMES DEEN, ERIK EVERHARD, MICK BLUE, JESSY JAMES

DIRECTED BY: JOEY SILVERA

AVAILABLE FROM: JOEY SILVERA VIDEO/EVIL ANGEL

A porn virtuoso at creating oil induced erotica; director Chris Streams really knows how to lay it on thick. Perhaps the slipperiest edition to his jaw dropping series, his latest offering is teaming with gorgeous babes and plenty of oil, both natural and synthetic. With six hardcore scenes, and over three hours of hardcore coverage, Streams not only gives us quantity, he gives us quality.

Colliding in skimpy bikinis and a bottle of mineral oil, Riley Reid and Sara Luvv are the perfect way to begin the show. After slathering each other with hands, tongues and oil, the women turn their attention over to James Deen. Fondling and worshiping each body, it isn't long before both are stacked up like pancakes, enjoying the length of James's cock, resulting in a threesome for the ages.

Next, Manuel Ferrara takes pleasure in saturating Veronica Rodriguez's curves with oil. Once slippery and wet, he shoves his dick down her mouth and practically splits the pint-sized starlet in two when penetrating her pussy in missionary. Keeping up with the seasoned pro, this lady tigress proves her porn star worth.

With increasing star power, Aaliyah Love demonstrates her talents in the next encounter with Everhard. As oil envelopes both hot bodies, Erik uses every part of Aaliyah to get himself off, including her butt crack. Demonstrating palpable chemistry throughout, this is clearly one of Aaliyah's strongest performances to date.

Alina Li and AJ Applegate also look tremendous in their respective scenes, completely adorned in a sea of oil before being treated to plenty of top-notch cock. Although exceptionally hot, it's Skin Diamond's scorching performance alongside Mick Blue and Everhard that really catapults this release to the next level. In a word, perfect! ♣♣♣♣♣

anal veteran

KATIN

I've only been having anal sex for a year now. I don't know why I wasn't doing it earlier, because it's fun and quite exciting and a whole different climax than with my clit or pussy. I guess it was pretty taboo to think that a cock would go into my butthole, and to think that I might actually like it – and have an orgasm. Why would this be so hidden and so taboo? It's wonderful and I'm going to show you!
